

Starr News

Dear Families,

12-10-2018

BRRR! It is seriously cold out there! Please remember to send in your child with a coat. If you need a coat, please let the Office or me know and we will see what is available.

We have been writing machines in here! We have typed in GoogleDocs our informational writing pieces, written an on-demand piece, and imaginative stories about being trapped in a snow globe for the day! We will be writing Resolutions for 2019 this coming week and then, for the final week before Winter Break, we will be doing all things *Nutcracker!*

This week your child should be able to say, “I can inquire into...how to give evidence of a character’s traits, how to write an imaginative story using metaphors/ adjectives/similes, how to write strong introductions and conclusions, solving multiple-digit + and – problems using place value, how to tell time to the nearest minute, how to find elapsed time (within the hour), how to round to the nearest 10 and 100, different types of governments around the world, and how the actions of the citizens and the government affect communities.”

Specials this week: AM: M-PE, T-Music, W-PE, Th-Music, F- Sp.
PM: M: Tech, Th-Lib

Dates to Know:

| | |
|-----------|-----------------------|
| 12/10 | Art Lit 12:45PM |
| 12/12 | Vision Screening |
| 12/20 | PTM Meeting 6:30-7:30 |
