Dear Families,

10-22-2018

LAST chance to sign-up for conferences. Please make sure that you are here on time, because I'm often booked back to back and 20 minutes goes fast!

I'm down to 1 left to schedule: <https://goo.gl/forms/5CirN5tWUurj9IEyh1>.

I'll send home a reminder on Monday with your conference time and date. Looking forward to talking with you!

As we are approaching Halloween, reminder that we DO NOT wear costumes to school on Halloween.

We use our Chromebooks almost every day in class. If your child would like to bring their own headphones in, they are welcome to. We have ones to use here too.

This week your child should be able to say, "I can inquire into... how to write summaries for NF texts (boxes and bullets, cause and effect, sequence, problem->solution), how to organize nonfiction writing, how to write in subtopics, how to take notes in nonfiction books, solving multiple-digit + and - problems using place value, and how we can observe scientific patterns to see how they impact our world."

Specials this week: AM: M- PE, T-Music, W-Spanish
PM: T-Lib

Dates to Know:	10/24	Early Release 1:35pm, Conferences 4-8pm
	10/25	NO SCHOOL, Conferences 8am-8pm
