

Starr News

Dear Families,

9-24-2018

We had our first Lunch Bunch as a reward for earning 2,400 points as a class (points are earned for nightly reading of 30 minutes and math homework done by Monday). Last week 10 students did not complete their math homework and had to give up Dreambox, Epic, Bookshelf and choice times to complete it in class. **If you need me to send a picture copy of the homework, please email me and you can print a copy at home.**

The Fun Run is coming on October 5th. The school goal is to raise \$10,000! (That's \$17 per student.) The money raised by PTM goes for field trips, guest speakers, Family Fun nights, classroom supplies, and Art Lit (and much more)! Start thinking (and asking) who might sponsor your child!

This week your child should be able to say, "I can inquire into...how to pick Just Right reading books to help me grow as a reader, how to use strategies to attack unfamiliar words, how to write a small moment story, how to show and tell in my writing, add descriptions/exact actions/exact dialogue, how math discussions can lead me to new understanding, how to using doubling/halving/grouping/skip counting to solve multiplication problems, how to work successfully in groups, and how art can be used to express emotions."

Specials this week: AM: M- Music, T-Spanish, W- PE, Th- Music, Fri- PE
PM: M- Tech, Th- Library

Dates to Know: 9/26 Family Coffee Chat
10/3 Buddies
10/5 Fun Run 9:20am
10/12 Picture Day!

Have a GREAT week,
Mrs. Starr

Homework This Week:

- ~ **Reading Log- every night, 30 minutes or more of reading.**
- ~ **Homework folder** with Reading Log returns daily.
- ~ **Math worksheet- Due by Oct. 1st**
- ~ **Wednesday Folders** returned by Tuesday (earlier is better)
